Dear Parents

Today the school contribution fees were sent out. The contribution request is made up of three parts:

- a subject contribution that seeks to reimburse the school for items/subscriptions already purchased for your child's use;
- a voluntary school contribution that assists us to continue to provide curriculum resources to enhance the quality of learning experiences for your child; and
- the P&C voluntary contribution that allows the P&C to work with the school in funding major school projects throughout the year.

Please note that this school contribution request **does not include** payments for incursions or excursions.

Separate invoices requesting payment for incursions and excursions will be sent home in Term 2 (for Semester 1 events) and Term 3 (for Semester 2 events).

For your convenience, Castle Hill Public School now offers online payments. Online payment is the preferred method of payment – select the link to pay on the emailed statement.

Thank you in advance for your contribution.

Craig Oliver
Principal
