

CASTLE HILL PUBLIC SCHOOL PARENTS & CITIZENS ASSOCIATION

Canteen Voucher Initiative for 100% P&C Voluntary Contribution

Dear Parents,

Over the last 4 years, every dollar you have contributed has been immediately reinvested back into the school for your children to immediately reap the benefits.

The P&C mandate is to efficiently utilise the funds raised from your voluntary contribution levy towards improving your child's school experience and provide a state of art learning experience at CHPS.

One of our goals is for CHPS to be seen as the leading technology school in the Hills area so that your child has every opportunity to flourish and grow in the digital age.

The P&C voluntary contribution levy is set at a maximum of \$150 for the 1st child and \$50 for the 2nd child with a maximum of \$200 per family per year and replaces any fundraising activities such as fetes, chocolate box drives and charity days throughout the year that other schools have in order to save you time.

This year we will continue to offer **\$20 worth of canteen vouchers** for those families that **contribute \$150** for the first child and a further **\$10 worth of canteen vouchers** for those that **contribute \$50** for the 2nd child upon providing the canteen a receipt of payment.

These voluntary contributions appear on the school invoice received this month for you to nominate accordingly (as indicated below)

<input type="checkbox"/>	Date	Added	Due	Item Name	Amount	Paid	Credit Applied (\$)	Balance (\$)
<input checked="" type="checkbox"/>	12/02/2021			P&C Cont for P&C Voluntary Contribution	\$150.00	\$0.00	Apply Credit	150.00

Here are some of the major projects made possible by the P&C voluntary contribution:
